FINANCIAL UPDATE

Thank you! Your generosity is changing lives.

God has done immensely more than we could have imagined in the first quarter of the year, and we want to celebrate that together. Through our **FreedUp and 90-Day Giving Challenges**, we have seen significant growth in both stewardship and generosity.

We had **312 people participate** in one or both of these challenges. We have reached out to everyone and have heard some incredible stories of how God is meeting them as they press into stewarding His resources well and growing in their generosity.

We've seen:

A 5% increase in the number of households giving, which equates to 98 people who began their generosity journey since January. This is incredible!

Increased community! During the FreedUp Challenge, we hosted five FreedUp Journey Communities. Of those who participated, 26% found community for the first time here at Journey.

Lives are being changed around your church and in our community because of your generosity! Your investment has provided for the following and more!

- **A new parking lot**, making more room for people to meet Jesus on Sundays!
- Valuable **leadership trainings** and **celebration nights**.
- Welcoming **over 4700 people** to worship and celebrate Easter weekend.
- More Community - **186 people joined** Journey Communities!
- **Meeting tangible needs** of people in our community.
