

December 2025

Generosity Update

We believe that God has big plans for our church family. We also believe he wants us ALL to have a part in it. That comes when we use our time, talents, treasures, and plans for things that have eternal impact.

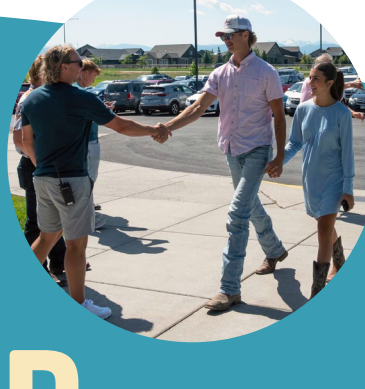

We invite you, as the year is coming to a close, to invest in your church and in the Kingdom!

Historically, 25% of our annual giving is received in December and January. This year that equates to \$800,000. Needless to say, **we have a big goal to reach!** We would love for you to pray about how you might contribute to this goal as we approach the New Year.

Thank you. Your generosity is changing lives.
