

Thank you for your continued generosity to ***your*** church! Everything that happens in and through Journey is only possible because of your giving, and there is so much more ministry to be done.

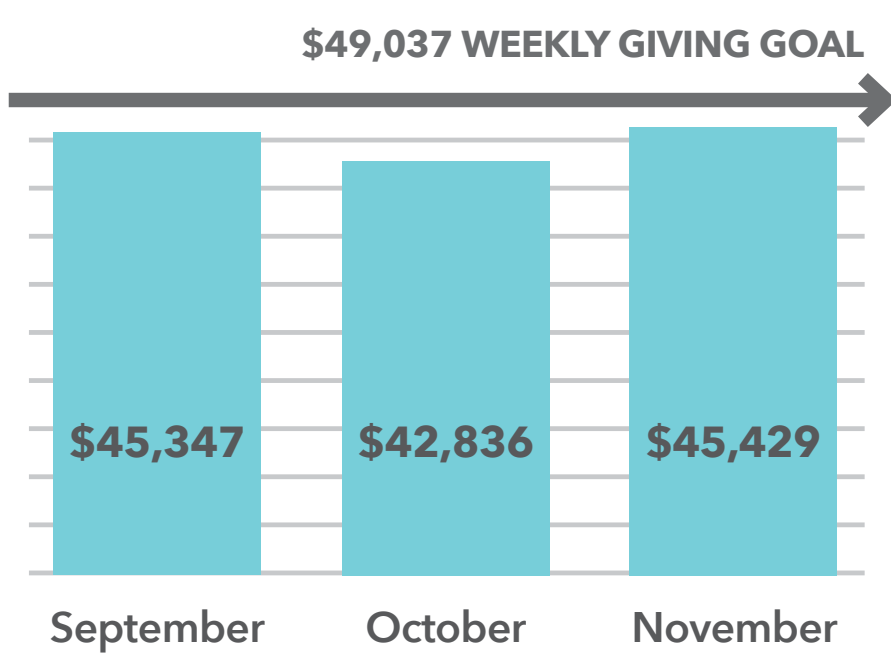

## How we're doing

Funding our ministry initiatives this fiscal year requires average giving of \$49,037 per week.

Since September, we are currently running behind our required average weekly giving.

## Average weekly giving

## ***In 2023, a lot of next steps have been taken!***

- An average of 31 new people are **gathering** with us each Sunday
- Over 900 people are **connected** together in 85 groups
  - 790 people are **serving** around Journey
  - 258 people began their **generosity** journey
  - 148 people were **baptized**
- We served our global partners by sending 24 people on short-term **mission trips**. We also sent two full-time **missionary families** to unreached people groups.
- Increased growth in people's practice of listening to the Holy Spirit, praying, reading scripture, and sharing their faith.

**Recurring giving** makes our revenue much more predictable and allows us to manage our finances with even more confidence.
