GENEROSITY UPDATE

Thank you! Your generosity is changing lives.

We're more than 30 days into the 90-Day Giving Challenge, and there is much to celebrate. We've heard from 184 people about how God is leading them in their generosity journey. We're encouraged by the ways you are seeking to be faithful with what God has entrusted to you.

These are some of the next steps that people have taken:

- 42 households made their first gift to Journey
- 31 additional households gave for the first time and set up recurring gifts
- 43 households increased their giving or set up recurring gifts
- Others are still prayerfully considering their next step

Generosity is part of discipleship to Jesus and an important piece of faithful stewardship. Everything we have is a gift from God, and practicing generosity is one way we learn to faithfully manage what He has entrusted to us. It helps us grow in trust, faith, and dependence on God while also advancing His Kingdom. The ministry of Journey Church is made possible through the faithful generosity and stewardship of the people who call Journey home.
